CHILDREN ATTENDING THE WEDDING BREAKFAST/DAY FUNCTION

The Cumberland Hotel welcomes children both as residents and non-residents for the wedding breakfast and evening function until the close of the function. In order to follow licensing regulations, comply with Health and Safety policies at the hotel and maintain the hotel ambience for guests staying at the hotel, it is STRICTLY required that all non-resident children under the age of 12 years are subject to the following policy.

1. No maximum number is set for the number of children attending the wedding ceremony & wedding breakfast. (Day Time Wedding)
2. Only children attending the day wedding ceremony & the day wedding breakfast may stay on into the evening function. No additional children under the age of 12 years will be permitted at the evening function
3. Functions with large numbers of children in attendance (Classed as 12 children & over) will be asked to organize a crèche as a condition of their event. The Hotel may be able to assist with arrangements, but ultimately this will be down to you the event organiser.
4. Your wedding planner will issue you, with individual parental/guardian cards for your wedding guests that will be attending with children. The parental/guardian cards must be completed and handed back to your wedding planner 8 weeks prior to your event. The parental/guardian card has been designed to ensure all parents/guardians are aware of the hotels children policy below.

5. Once the parental/guardian card has been received by the hotel, the hotel will call your wedding guests attending with children prior to your function to ensure they fully understand the children policy listed.

CRECHE

Functions with large numbers of children in attendance (Classed as 12 children & over) will be asked to organize a crèche as a condition of their event. The Hotel may be able to assist with arrangements, but ultimately this will be down to you the event organiser.

FUNCTION ROOM

It is a strict policy at Cumberland that children attending functions remain in the function room (rooms) booked for the event. They are NOT permitted in the Bar Lounge areas of the hotel except during room change around, and in the event this occurs, they MUST be supervised at all times by parents or family members. If the hotel has a separate function room available on the day, parents with children will be requested to use this room whilst function rooms are turned round. Children's programmes and games will be provided by the hotel.

EVENINGS

Extra children under 12 years old are not permitted at evening functions at The Cumberland Hotel. Due to the layout of public areas, route of transfer for hot food and drinks, ambience for hotel residents and Health and Safety concerns

POOLSIDE

NO Children under 12 years are permitted to be in the vicinity of the poolside or Lido deck without parental supervision at any time during their visit. This is a very hazardous area for children with an open pool and also food and drinks are constantly carried across the Lido Deck.

BAR AREAS

NO Children are permitted to be present in ANY of the bar areas of the hotel. This includes the Del mar Lounge, Ventana Bar. Children are permitted in the Ventana Brasserie and all function rooms including the Oceana, Mirabelle and Red Door with parental supervision. (Temporary exceptions will be made to this strict policy for children wishing to use the bathroom, and during room change over's, but we would ask that they are supervised by their parents during these short times) The bar areas are generally busy with servers transporting hot food and drinks and this is not compatible with unsupervised children.

HOTEL RECEPTION

NO Children are permitted in the reception or lobby area unattended. This is an extremely busy part of the hotel, with guests arriving and departing, servers transporting food and drinks, and cars passing through the driveway often just outside the lobby area. If you are in this area with children please can you ensure they are not running or playing in the lobby area for obvious safety reasons.

DISCLAIMER

It is the function/event organizers responsibility to ensure that all attendees of the event with children under 12 are aware of the Non Resident Children's Policy and have read and signed an individual copy of this policy. The Cumberland Hotel accepts no responsibility for accident or injury occurring as a direct result of unsupervised children, this also applies to accident or injury sustained by other guests or staff of the hotel. This policy has been designed for the protection of both the hotel, its guests and the children and will be strictly enforced.

Parents/guardians not adhering to the above policy may be asked to leave the event early
